The American Society of Appraisers Southern California Chapter Personal Property Committee is sponsoring a Fall Roundtable open to all personal property appraisers. It will be geared to both novice and experienced appraisers of personal property. Each participant will have the opportunity to bring questions, issues and knowledge to the table to share. ***The seating is limited so register early.***

Program topics will include a variety of the following: changes to USPAP, new rules from the IRS, technology and education, marketing, and time management.

Please submit any questions you would like brought up at the meeting along with your registration.
